A story by a girl who had some people that were sassy like almost half of the time

This story is made by  
Scarlett Romo Ruiz Y. So I  
hope you enjoy (;

There's some weird and awkward girls who hang out every time like literally (; So be careful to mess around with these girls or you'll soon end up such as a pie or piece of paper 9 no literally squished !

HOW DO I KNOW?

I just messed up with them and got sassy\_-fied (no literary)

soon the whole world will be invaded with sassy turning evil bossiness and have I also mentioned cruel girls(or boys anyway) So now i warned you guys beware and try to stop this terrible mess .And now guess who are the most and worst mean girls are a mystery to every one but in my next page you shall know!

I am a student who works for the Phoenix press and works at a certain school called Cesar Chavez Elementary School ! I am always so exited to work so thats my hobby to write and draw ! Drawing did you know is my Hobie.So I shared all that I can so now I hope you may now understand how an artist's minds works so now just enjoy reading about the mystery of the girl but at recess I shall tell meet me!
